POLICE DEPARTMENT NEWS

GUN REGISTRATIONS:

The Village Hall **DOES NOT** handle gun registrations.

- All gun registrations in the County of Monroe are handled by and through the Monroe County Sheriff's Department.
- The Village of South Rockwood is not involved in any part of the gun registration process.
- For more information or for filing your gun registration you may contact the Monroe County Sheriff's at 734-240-7415.

GUN SAFETY:

Gun safety is very important!

We provide gun locks for FREE here at the Village Hall.
Feel free to come in and pick one up during normal business hours.

There is a limited supply. First come, first serve.

CONTACTING YOUR LOCAL POLICE DEPARTMENT:

MONROE COUNTY NON-EMERGENCY DISPATCH PHONE NUMBER

734-243-7070

In case of Emergency, Dial 911

It has been noted that citizens have recently become dependent on contacting the Police Department via the general office phone.

Although it is ok to contact us using the office phone, if there is something happening that needs attention by an officer, **the best and quickest way to get in contact with someone from the Police Department is through Central Dispatch.**
In the case of an emergency always dial 911.

The Monroe County Central Dispatch center is always in constant radio contact with our on duty officer.

734-243-7070 is the number you should call if you need a police officer sent to your house for non-emergency services.

Please make note of this number so that you may better activate and utilize the services that your Police Department provides.

SCAM ALERT!!! SCAM ALERT!!!

If you are receiving threatening calls from the “IRS”,
ignore them and **DO NOT** call them back.

****A caller may also say that you have a refund coming
in order to trick you into sharing personal information,
DO NOT return these calls either.****

The IRS reminds people that they can know pretty easily when a
“supposed IRS” caller is a fake.

Here are six things that scammers often do, **but the IRS will not
do.** Any one of these six things is a tell-tale sign of a scam.

The IRS will never:

1. The IRS will never call to demand immediate payment.
2. The IRS will never call about taxes owed without first having mailed you a bill.
3. The IRS will never demand that you pay taxes without giving you the opportunity to question or appeal the amount they say you owe.
4. The IRS will never require you use a specific payment method for your taxes, such as a prepaid debit card.
5. The IRS will never ask for credit or debit card numbers over the phone.
6. The IRS will never threaten to bring in local police or other law-enforcement groups to have you arrested for not paying.

WARNING

Foreign scammers are stealing money from Michigan Seniors daily

Law enforcement agencies within Monroe Co. and all over the state are reporting an increase in fraudulent scams targeting senior citizens.

Reports indicate scammers are telephoning or using pop-up notices on the internet to mislead senior citizens into believing that their bank account and private information have been hacked. The victims are instructed to withdraw large amounts of cash from their savings or checking accounts and deposit those funds into Bitcoin machines. The caller then falsely claims that the money is being deposited into a new, individual Bitcoin account belonging to the victim. When actually the victims have transferred cash into a foreign bank account belonging to the scammers and have no possibility of getting their money back.

The scammers claim to represent either the federal reserve, a government agency, bank security or Microsoft. The scammer cautions the senior citizen NOT to tell anyone, including a bank representative, the real reason for the withdraw, because the caller convinces the victim that an employee of their bank is involved with the alleged theft.

If you receive a call like this or a pop-up notification on the internet, hang-up and ignore them. Notify police. The scammer will not continue to call you if you don't take their bait. The number from which the victims are called are often spoofed or ghosted and is not the real name or location of the caller. Although Federal Law Enforcement agencies are assisting, most of these scammers are from foreign countries that do not honor United States search warrants or extraditions. Please share this information.

Monroe County Animal **Control Ordinance**

With warm weather approaching we would like to remind our residents that it is **unlawful** to permit any dog to trespass upon the property of another person, or stray beyond the owner's property, unless the dog is restrained by a leash, or within voice command of the owner.

Be courteous and clean up waste left by your animal.

Remember, your pet is your responsibility.

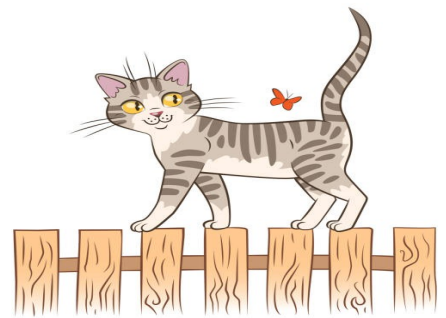

Cats

Please keep your cat at home.

**Cats are a roaming animal
that can be mischievous.**

**Those who do not own a cat
do not want them in their yard.**

Edmund Fitzgerald: What really happened?

Join us as the National Museum of the Great Lakes explores a brief history of shipping on the Great Lakes that lead up to the impressive Edmund Fitzgerald. She had an exciting life during the 18 years that she sailed, often carrying record breaking loads. Her loss on November 10, 1975 still puzzles many to this day. We will explore several of the prevailing theories on her loss. But we can still celebrate the anniversary of her launching on this day, 65 years ago from River Rouge, MI. There will be a raffle for a chance to win a pair of passes for the National Museum of the Great Lakes.

Wednesday, July 19, 2023 at 7:00pm-

Local Author David Gelwicks

David Gelwicks will be discussing his book "Michigan Mining Scrip: Paper of the Northern Michigan Copper and Iron Mining Districts". He will cover the period of 1824 - 1963 in Michigan's mining history from a new perspective, that will be both informative & entertaining. David is a graduate of Michigan Tech and has worked for North Star Steel & Hickman, Williams & Company, both in Monroe. His book will be available for purchase for \$50.

Wednesday, August 23, 2023 at 7:00pm-

"Black Holes"

Ethan Partington, a graduate of astrophysics at Wayne State University, will have us looking to the stars, to learn about distant Black Holes. He'll discuss how they form, the different sizes & what discoveries were made that led to Nobel prizes being awarded in 2017 & 2020. In doing his research, he used NICER, a state-of-the-art X-ray detector located on the International Space Station. He was also an "invited" speaker at NASA's 2022 Summer Science Workshop. There will be a Q & A after his presentation. This is geared for High School students-Adult, but anyone is welcome.

"The Eden-Atlantis Project" with Author Robert Bates

Author Commodore Robert Bates will be discussing his book "The Eden-Atlantis Project" via Zoom. You will learn about his research into finding the actual location of the sunken island civilization called Atlantis. He will discuss his leading the first expedition, then being a consulate for his second with The History Channel. He will give his personal interpretation of the evidence collected. If you have ever been curious about the lost city of Atlantis, this is your chance to get some of your questions answered.

Registration is required for all events, except "Meetings".

You can register at the library, by calling the library (379-3333), from our Facebook page, once an event is posted (there will be a link) or on the MCLS web-site under "Events/Calendar".

Don't forget to "Like" us on Facebook so you will receive notifications of all our exciting happenings: facebook.com/friendsofsouthrockwood

We are always looking for ideas for events at the library. If you have a suggestion for an author, subject you'd like to learn more about or even a project/craft you think others would enjoy doing, please let us know. You can either mention it to Kelli the next time you're at the library or you can email us at:

friendsofsouthrockwood@gmail.com

Looking for input from the residents.

Would there be any interest in a Farmer's Market on Saturday mornings, either by seller's or buyer's? Which months, how often, hours??? Sellers would be responsible for their own tables, chairs & canopies. First come, first served for set up along the East side of the building. No cost. Need feedback as to the interest, before we even approach the Village Board with the idea. You can email us or talk to Kelli, at the Library

STORMWATER– KEEP IT FRESH:

Storm water is any water that falls into the ground, including rain, hail and snow.

This water flows off ground surfaces and into underground pipe systems, where it makes its way into local waterways. Water is our most precious natural resource.

Keep it fresh. Allow only rain down the storm drain.

Tips to keep our water fresh:

- Pick up pet waste and dispose of it in the trash.
- Never fertilize your lawn before a storm. Reduce the amount of chemicals you apply to your lawn.
- If you can, implement a rain garden at your house. Green infrastructure, such as rain gardens, help water absorb into the ground, preventing water and pollutant runoff.

As warm weather is approaching,
let's get out and get some fresh air!

WEED / GRASS CONTROL ORDINANCE

NOTICE IS GIVEN

That all ***weeds, brush and grass*** growing on any lands except as exempt under the ordinances of the Village of South Rockwood must be ***cut and maintained at a height not to exceed six inches*** and destroyed and removed to prevent such weeds, brush and grass from going to seed, from becoming a fire hazard and/or creating a condition detrimental to the health, safety and welfare of the residents of the Village of South Rockwood.

Failure to comply with this notice and ordinance on or before May 1st shall make the property owner liable for the cost of cutting, destroying and removing the weeds, brush and grass by the Village of South Rockwood or its representative or agents and the costs may be levied and collected in the same manner as taxes are levied and collected and being a lien upon the land.

The Village may cut the weeds, brush and grass as often as necessary to achieve compliance with the ordinance and charge costs to the property.

RUBBISH PICKUP

Remember to place trash and recycle out by the road by 6:00am, as recycle collection is very early.

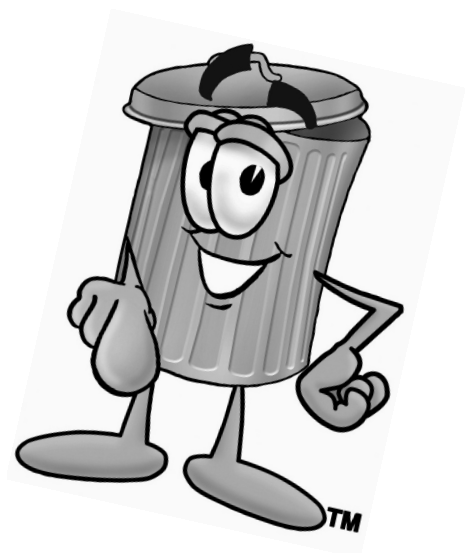

Make sure ALL your garbage is placed IN A BAG. This prevents loose garbage from falling onto the roadway and into our yards when the garbage company dumps the cans.

In the event that your garbage falls on the ground, please pick it up and bag it so we can keep our community clean.

Please remember that Ord-35,102 Section 2. states that:

- Rubbish containers shall be placed at the curb no earlier than 5:00pm on the day before collection day.
- All containers must be taken in before 8:00pm on the day of collection and placed out of general view.

This includes recycle totes.

Damaged totes & trash cans will be replaced at the expense of the homeowner.

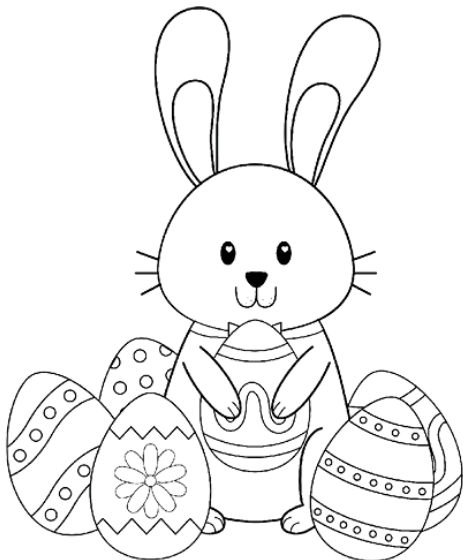

Thank you for your cooperation!
